1. service hourly fees

Several of my services are based on an hourly rate, unless otherwise discussed and mutually agreed on. The Client must assume that all additions, alterations, changes in content, layout or process that are requested by the Client during the design phase, including all email and phone correspondence as well as face-to-face meetings will alter the time and final costs.

2. service flat fees

On certain packaged services, I am able to offer flat fee rates (with conditions). Please ask for further details.

3. sub-contract service fees

Hourly or flat fee rates are to be quoted on a case by case basis for all necessary sub-contract service work.

4. maintenance fees

If you feel you will have questions or need further consultation after completion of initial contracted work, I offer unlimited email access for a monthly fee. This maintenance fee will ensure you have any and all design questions answered as soon as they come up. This offer is only valid for 3 months after work completion. Please ask for further details.
